

## Take a Novel Approach to Personalized Learning for ELA with *Actively Learn*.

McGraw Hill's popular curriculum platform now offers access to 6,000+ digital novels.

**Actively Learn, McGraw Hill's powerful curriculum platform for grades 3-12, is taking student engagement to a whole new level by providing digital access to thousands of popular novels from leading publishers like Simon & Schuster, HarperCollins, Penguin Random House, Hachette Book Group, and Capstone.**

### What Features Are Included?

*Actively Learn* now offers access to more than 6,000 complete novels, more than 30 of which include instruction, and all of which include:

- Access to assignment-level data (e.g., reading time, words looked up)
- Ability to provide immediate grading and feedback
- Synchronous or asynchronous in-text collaboration for small groups or the whole class
- Standards and proficiency reports based on standards-aligned questions
- Reading aids, e.g., Dictionary, Translate, TTS (subject to publisher approval)

### How Does This Benefit Teachers?

*Actively Learn's* eBook library is a valuable instructional resource for educators. It can be used in a variety of ways, including:

- Assigning a novel to students in chunks
- Assigning different novels to different students
- Providing differentiated, embedded scaffolds
- Allowing students to annotate the text as they read
- Tracking individual student progress through the novel
- Customizing and sharing instruction with other teachers

### How Does This Benefit Students?

*Actively Learn's* eBook library is a valuable tool for students, because it includes plenty of student-friendly features, including:

- Student accessibility tools
- Extra Help support for certain titles
- Annotations for deeper understanding
- Discussions and engagement in margin notes
- Greater student voice and choice
- Greater student ownership of their learning

### 5 Easy Ways to Find Books on *Actively Learn*

Go to <https://read.activelylearn.com/#teacher/catalog>, then:

1. Search for your favorite classroom titles using the "Search" box in the top right.
2. See all eBooks by selecting "Book" under the Assignment Type filter on the right.
3. Browse titles by subcategory under Genres > Books on the top menu bar.
  - "Free Books" are titles in the public domain.
  - "Books with Assignments" include embedded questions and instructional support.
4. Find Advanced Placement® Literature eBooks under Genres > Instructional Focus.
5. Discover eBooks with curated text collections on the Book Pairings page under Genres > Text Sets.
