

Actively Learn™

Rich, Standards-Aligned
ELA Content for Elementary,
Middle, and High School

GRADES 3 - 12

Drive Deeper Learning in English Language Arts with This Award- Winning Digital Solution.

Actively Learn ELA brings interaction and deep engagement to students' understanding of classic literature and other complex texts. Hundreds of stories, poems, and literary nonfiction works combine with interactive videos, news articles, and embedded images to bring English Language Arts and literacy to life.

- Lessons and assessments that support instruction
- More than 7,000 full-length novels and plays
- More than 1000 news and high-interest articles
- Diverse Voices collection ensures that all students can identify with and learn from the content they're reading
- Summative performance tasks ask students to demonstrate understanding of core unit concepts using long-form writing, discussion, debate, and research

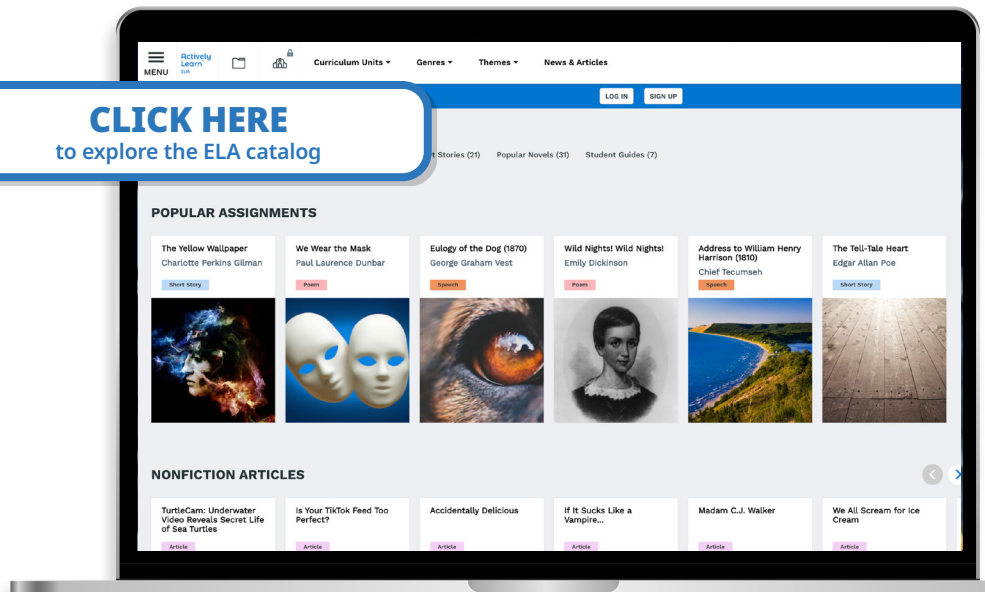

“
Actively Learn has been life-changing for me and my students. I so appreciate the ability to see exactly what students are saying about a text and being able to provide feedback right there in the moment.”

Laura Deal
ELA Teacher, Dean Morgan
Junior High School, Casper, WY

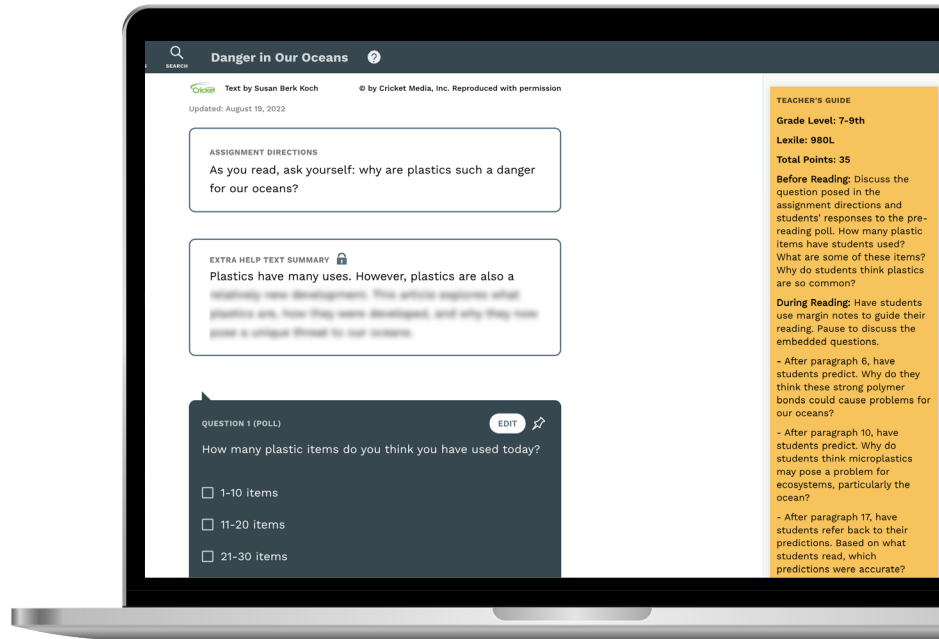

Actively Learn video assignments bring ELA to life and include embedded questions to monitor comprehension as students watch.

This ESSER-aligned digital solution is a robust, research-based instructional tool that's designed to promote effective learning in any type of environment.

Comprehensive, Rigorous Resources

A versatile tool for classroom, hybrid, and remote instruction, *Actively Learn* is designed to maximize student engagement with embedded interactive tools and boundless content.

Collaboration and Support

Scaffolds such as guiding questions, text-to-speech, translation into 100+ languages, shared annotations, in-line peer discussion, and real-time teacher feedback make *Actively Learn* the ideal learning platform for students of all ages and ability levels.

In addition to ELA, Actively Learn offers standards-aligned digital solutions for grades 3-12 science and social studies.

Flexible, Engaging, and Easy to Use

In addition to *Actively Learn's* ready-to-go content, teachers can upload their own texts, slides, PDFs, and videos. They can also share digital resources and monitor student progress across standards and content areas with real-time performance data.

- Access on any device
- Integrate seamlessly with Google Classroom, Canvas, Clever, and Schoology
- Easily deliver synchronous and asynchronous instruction
- Customize any assignment and upload your own
