

Actively Learn ELA

Now with Advanced Placement® Language and Literature Content!

Rich ELA Content and Features to Drive Deeper Learning

Engage every student, every lesson in grades 3-12 with Actively Learn ELA, a powerful, flexible digital curriculum platform from McGraw Hill. Help students fill gaps in background knowledge, increase comprehension, and improve literacy.

- Easy-to-use interactive tools and resources
- Sequenced and curated curriculum units
- Copyrighted full-length novels, short stories, literary nonfiction, and poetry
- Alignment to 50 state standards
- Extra Help differentiation
- Accessibility tools enabling students to define, translate, and hear text read aloud
- Real-time data and reports

Advanced Placement® Language and Advanced Placement® Literature

Find authentic literature and unique accessibility tools to help students dig deeper into texts and collaborate with peers.

- Rigorous classic and contemporary texts
- Fiction, literary nonfiction, speeches, drama, and poetry
- Embedded instruction on rhetorical analysis and literacy devices
- Teacher guides to help students master arguments and evidence
- Robust resources that complement AP ELA core instruction

Actively Learn ELA Prime

Actively Learn ELA Prime from McGraw Hill offers curated fiction and nonfiction to engage students and drive deeper learning every day in every type of instructional environment.

Start the school year strong with Actively Learn's award-winning digital curriculum platform, designed to help teachers reach every student all year long.

“ Actively Learn has been life-changing for me and my students. I so appreciate the ability to see exactly what students are saying about a text and being able to provide feedback right in the moment. ”

Laura Deal, ELA teacher
